Model 1850 Bowl Type Food Cutter

Bowl Type Food Cutter Model 1850

Model 1850

Safety and Convenience Features

Berkel Model 1850 bowl cutter is a high performance, versatile machine that quickly cuts, chops, blends and mixes vegetables, fruits, cheeses and virtually any other product quickly and conveniently. The large, one-piece 18-1/2" stainless steel bowl features an exclusive "free-wheeling" action, which permits the bowl to be manually turned for fast removal of cut product, ease of ingredient blending and quick cleanup. The bowl cover and knife guard interlock prevent the cutter from running when the cover is raised. The power switch interlock mechanism prevents opening the bowl cover and knife guard during machine operation. The unit includes a convenient #12 Taper Hub for optional meat grinder and vegetable slicer/grater attachments. The 1850 bowl cutter is easy to clean and disassembles quickly without tools.

Standard Features

- Cutter is designed for cutting and mixing virtually all types of food products in one easy operation; cut, chop, blend and mix quickly and conveniently
- High-grade stainless steel knives rotate at 1720 RPM and are easily removed for cleaning; two-knife assembly is standard
